THE WORLD’S NO.1 STAIRWAY EVACUATION CHAIR

Evac+Chair® 300H Mk4

THE ONLY EVACUATION CHAIR ON THE MARKET WITH A DUAL POSITION SEAT

The Evac+Chair® 300H featuring 400lbs weight capacity and single person operation.

Features

1. Adjustable patient head restraint
   Limits movement, securing the passenger in place

2. Friction tracks (Evac+Track technology)
   The self braking reinforced tracks control speed of descent for easy single person operation

3. Ergonomic adjustable handle
   For ease of deployment and compact storage

4. Reflective decals
   For easy location in situations of poor visibility

5. Quick release safety belts
   (Head, Chest, Thigh)
   For increased passenger safety

6. Heavy duty wheels
   Ideal for operation over uneven terrain

7. Lockable rear wheels
   Can be applied in situations where the chair needs to remain in a stationary position

8. Dual position seat
   Dual position seat allows the user to decide each time which seating position they desire

   Flat seat
   with zipped side panels and over thigh quick release passenger restraint

   Hammock seat
   simply release zipped side panels, fasten together on underside, retaining use of over-thigh quick release passenger restraint

Includes

- LIFETIME WARRANTY
- 3 Passenger Safety Belts (Head, Chest, Thigh)
- Photoluminescent Signage
- Wall Mounting Brackets
- Dust Cover

US Evacuation Laws

In NFPA 101, 2015, section 7.2.12.2.3:
Safer alternative stair descent measures for transporting a person who normally requires a wheelchair, or otherwise cannot use stairs, include emergency stair travel devices designed, constructed, and operated in accordance with ANSI/RESNA ED-1, Emergency Stair Travel Devices Used by Individuals with Disabilities.

United States Access Board Required Compliance with the IBC
Evacuation plans and procedures should address the needs of all facility occupants, including those with disabilities. Mobility aids, such as emergency stair travel devices, also known as evacuation chairs, are available to transport people unable to use stairs. The Rehabilitation Engineering and Assistive Technology Society of North America (RESNA), www.resna.org, has developed consensus Standards for emergency stair travel devices through the American National Standards Institute (RESNA ED-1). It is important that evacuation chairs be located so that they do not obstruct required means of egress.

The Rehabilitation Act of 1973 Section 501:
Section 501 of the Rehabilitation Act prohibits discrimination on the basis of disability in Federal employment and applicants for employment. Federal agencies are required to make reasonable accommodations for qualified employees or applicants with disabilities.

Disability Discrimination & Reasonable Accommodation:
A reasonable accommodation is any change in the work environment to help a person with a disability apply for a job, perform the duties of a job, or enjoy the benefits and privileges of employment.

Americans with Disabilities Act of 1990:
The Act prohibits discrimination against people with disabilities in employment (Title II), in public accommodations.

PART 1630—REGULATIONS TO IMPLEMENT THE EQUAL EMPLOYMENT PROVISIONS OF THE AMERICANS WITH DISABILITIES ACT
Section 1630.20(a) Reasonable Accommodation: One of these is the accommodation of making existing facilities used by employees readily accessible to, and usable by, individuals with disabilities

MARYLAND HOUSE BILL 1061:
Education - Emergency and Evacuation Plans - Individuals With Disabilities
Requiring the State Department of Education, in consultation with disability advocacy groups, to update specified guidelines to accommodate, safeguard, and evacuate students, staff, and visitors with disabilities on public school grounds, requiring each local school system, on or before July, 2018.
Our Pledge - Why Evac+Chair...

As the world’s number one supplier of Evacuation Chairs we strive to make sure that our customers receive the best service possible. That is why we can offer complete peace of mind when purchasing our products.

OUR PRICE GUARANTEE

Our price promise guarantees if you find a similar product for a better price or the same product cheaper elsewhere, we will meet or beat that price.

QUALITY ASSURED

NEVER COMPROMISE ON QUALITY

You have complete peace of mind knowing your chair is guaranteed to be authentic and the best possible quality. Our certified products are rigorously tested to exceed all fire & safety and emergency response guidelines.

LIFE TIME SUPPORT

We are so confident our products are the best on the market that we offer a lifetime manufacturer’s warranty with every chair sold.

CUSTOMER 100%

100% CUSTOMER SATISFACTION

We aim to deliver superior service, every time, with 100% satisfaction guaranteed. As the world number 1 and the original Evacuation Chair company, we have more satisfied customers than anyone else.
